Reference: Stabbing Incident in Southern Lyon County

(Eddyville, KY)

On June 10, 2020 at 9:45pm, the Lyon County Sheriff's Office was called to a disturbance on Red Rock Road, 13 miles south of Eddyville. The initial dispatch indicated there was a verbal disturbance which could be heard by area neighbors and reports of someone yelling for help.

Upon the arrival of Sheriff's Deputies Joe Witherspoon and Seth P'Pool, they found a male subject in a driveway of a residence who had been stabbed. Deputies rendered aid to the victim and Lyon County EMS was summoned to the scene. Deputies later found a slightly injured female who returned to the scene.

The investigation revealed a verbal argument between a male and female began earlier in the day at this location. The female became angry over words spoken by the victim. She armed herself with a baseball bat and began causing damage inside a residence. The male subject responded by causing damage to property owned by the female. The male subject then threw an object at the female causing her minor injury. The female then stabbed the male victim. The male then attempted to assault the female again but was bitten by the female's dog. The male victim attempted to leave the residence but collapsed in the driveway where he was found by deputies.

The male victim had a stab wound to his upper torso which required him to be airlifted to Deaconess Hospital in Evansville, IN for treatment. Once released, he will face misdemeanor assault charges for actions he allegedly committed against the female.

The female offender was identified as Felece M. Kern (50) of Eddyville. She was arrested and charged with Assault in the 2nd Degree. She was transported to and lodged in the Crittenden County Detention Center by the Lyon County Jailer.

The Lyon County Sheriff's Office was assisted by the Kentucky State Police, Lyon County EMS, Eddyville Fire Department, and Air Evac.
